

PARTICIPANT WELCOME

Welcome to the thirteenth annual Halloween Trail Ride, Ride-A-Thon and Tack Sale benefiting Central Kentucky Riding for Hope - CKRH.

CKRH is a non-profit organization that is completely dependent upon community support. CKRH puts horses, people, and their abilities together to develop self-esteem, confidence, coordination, and a sense of achievement while learning about horsemanship, tack, and riding principles.

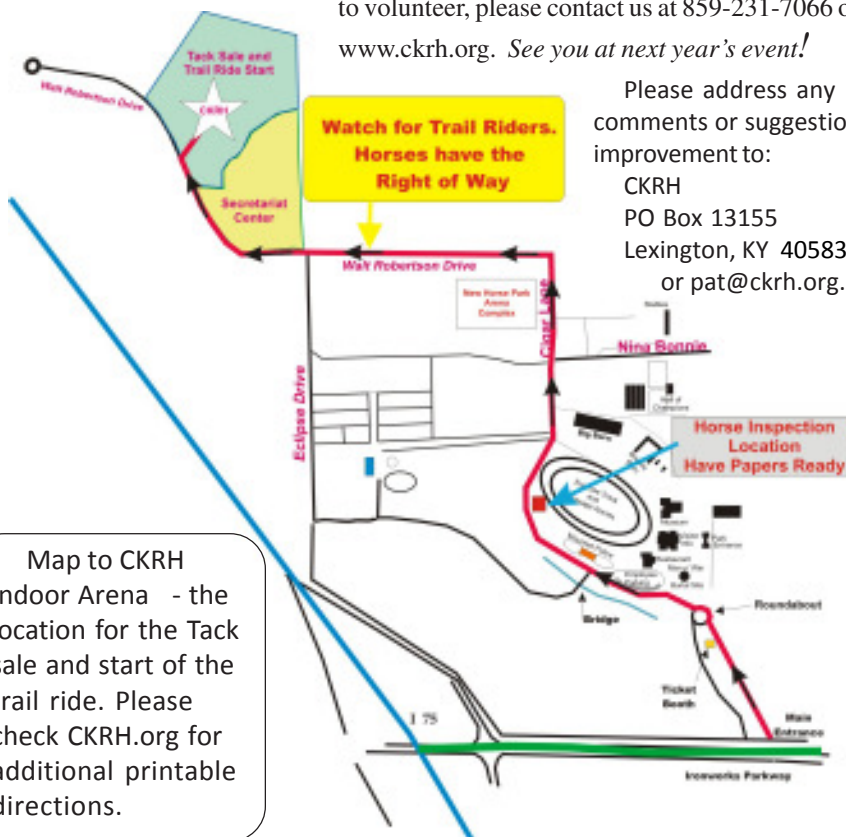

The program is operated at the Kentucky Horse Park in Lexington, Kentucky. Over 325 students and clients participate in our program each year. This is made possible by the help of volunteers and our very special program horses and ponies.

Thank you for participating in this event to further CKRH's bond between students and horses.

To receive further information about the program or to volunteer, please contact us at 859-231-7066 or www.ckrh.org. See you at next year's event!

Please address any comments or suggestions for improvement to:
