Dear CKRH Families,

Most of you probably realize that CKRH is supported through community fundraising and philanthropic generosity. We work hard to explore every opportunity for funding available to this program. This involves grant writing and investigating other financial avenues that might exist in the community. To do this effectively, I really need your help. Would you please take a moment and respond to the following questions. The results will be confidential and only used for the purpose of establishing CKRH demographics. Please help the program continue to reach its goals.

Thank you for your time and help. I look forward to seeing all of you shortly.

Pat Kline
CKRH Executive Director
